

## Chapter 10

# Other Sources of Information and Toolbox References

---

### Where To Go For More Information

#### Web sites:

For information on other studies and research related to maintenance and stormwater quality, begin your search with the following web sites. Many of these sites have an index or search engine built in:

1. American Society of Civil Engineers  
<http://www.asce.org/peta/tech/>
2. Federal Highways Administration  
<http://www.fhwa.dot.gov/environment/>
3. Oregon Department of Environmental Quality  
<http://www.deq.state.or.us/wq/>
4. Oregon Department of Transportation  
<http://www.odot.state.or.us/>
5. U.S. Department of Transportation's National Transportation Library  
<http://www.bts.gov/ntl/>
6. U.S. Environmental Protection Agency  
<http://www.epa.gov/epahome/>
7. Washington Department of Transportation  
<http://www.wsdot.wa.gov/eesc/environmental/>

## **Documents:**

California Regional Water Quality Control Board. "Erosion and Sediment Control field Manual". November 1996. (510) 286-1043.

City of Portland, Bureau of Environmental Services. "Naturescaping for Clean Rivers". January 1996.

City of Portland Pollution Prevention Outreach Team. "Keep Your Shop in Tune". (503) 823-5230.

Gray and Sotir. "Biotechnical and Soil Bioengineering Slope Stabilization: A Practical Guide for Erosion Control." John Wiley and Sons, Inc. 1996.

Horner, Richard and Brian Mar. "Guide for Water Quality Impact Assessment of Highway Operations and Maintenance". A Report Prepared for the Washington State Department of Transportation Highway Runoff Water Quality Research Project. Report No. 14 (WA-RD-39.14). September 1982.

King County. "Surface Water Design Manual." November 1992 (with more recent updates).

Livingston, Eric; Joe Skupien; and Earl Shaver. "Operation, Maintenance and Management of Stormwater Management Systems". Published under an EPA grant by the Watershed Management Institute, Florida. August 1997.

Oregon Department of Environmental Quality. "Recommended Best Management Practices for Stormwater Discharges". Document No. IW\WC11\WC11727.5. August 1997.

Portland Bureau of Environmental Services and Unified Sewerage Agency. "Erosion Prevention and Sediment Control Plans: Technical Guidance Handbook". February 1994

Portland Bureau of Environmental Services. "Stormwater Quality Facilities: A Design Guidance Manual". March 1995.

Portland Bureau of Environmental Services. "Surface Stormwater Facilities Maintenance Management Manual". April 1997.

Santa Clara Valley Nonpoint Source Pollution Control Program. "Best Management Practices for Automotive-Related Industries". (408) 265-2600.

Terrene Institute and U.S. EPA. "Urbanization and Water Quality: A Guide to Protecting the Urban Environment". March 1994.

---

USDA Natural Resource Conservation Service. "Streambank and Shoreline Protection, Part 650, 210-EFH, of the "Engineering Field Handbook". 1996.

U.S. EPA. "Guidance Specifying Management Measures for Sources of Nonpoint Pollution in Coastal Waters". January 1993.

Washington State Department of Transportation. "Highway Runoff Manual". March 1997.

Washington State Department of Transportation. "Stormwater Management Plan". March 1997.
